**RE: Revised Application for Vehicle Title and Registration**  
**Effective date: Immediate**

Date: January 18, 2008  
To: All MVD  
From: Mac Lewis, MVD Policy and Procedures Manager

*[This is the latest in a series of procedural updates. These updates deal with specific MVD procedures and practices. Managers and Supervisors should consistently distribute the updates to all personnel and integrate them into regular information and training sessions.]*

**Effective Tuesday, January 22, field offices should use only the new Application for Vehicle Title and Registration – form MVD10001 rev. 09/07.**

The MVD 2.0 printing software has been updated to accommodate the spacing of the recently revised Application for Vehicle Title and Registration, form #MVD10001 rev 09/07.

Field offices that now have the new form in stock should no longer use the old registration application form (rev. 09/02) and should destroy any remaining copies.
