## **Motor Vehicle Division To Move Into New Offices In Truth or Consequences**

**SANTA FE** – The New Mexico Taxation and Revenue Department today announced that the Motor Vehicle Division Office in Truth or Consequences will be moving into a new location on Monday, Feb. 13, 2012. Because of this move the old MVD office located at 1912 N. Date Street will be closed this Wednesday through Friday.

The new MVD office located at 163 New School Road in TorC will open for normal business at 8 a.m. Monday, Feb. 13, 2012. The new office is nearly 800 square foot larger than the old location with more customer parking spots, including space for commercial vehicles.

It will feature four self-help kiosks to take both commercial and non-commercial driver's license written tests and for vehicle registration renewals. The new location is also equipped with a security system; energy efficient heating and cooling systems; and low-flow plumbing fixtures.

“This new facility will be bigger and better, and will serve the growing needs of Sierra County residents,” said Demesia Padilla, Cabinet Secretary for the New Mexico Taxation and Revenue Department. “It will also improve the working environment for our employees, along with providing better service for our customers.”
