

## Pre-Screening Questionnaire

People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness.

Symptoms may appear **2-14 days after exposure to the virus**. People with these symptoms may have COVID-19, please let us know if you are experiencing any of these symptoms:

- o Fever or chills temperature of 100.4 or higher per CDC guidelines
- o Cough
- o Shortness of breath or difficulty breathing
- o Sore throat
- o Congestion or runny nose

Anyone with the combination of these symptoms or a temperature of 100.4 or higher per CDC guidelines will not be admitted to the office and will have to re-schedule their visit.

**Face masks are mandatory to enter an MVD office.**
