**SCHEDULE B INSTRUCTIONS**

Schedule “B” is a mileage schedule to be used in computing mileage percentages for the member International Registration Plan Jurisdictions. Schedule B is to be used on Original and Renewal Applications. This schedule is also to be used whenever you add a new state with a supplement application.

List actual miles accumulated by the fleet and enter the number “1” in the column to the left of each applicable jurisdiction.

If you expect to operate in a jurisdiction this year that you did not operate in last year or if this is a new account, complete Schedule C - Enter estimated mileage for this coming registration period on Schedule B. Minimum estimated miles per state are:
