MVD releases new practice driving test

The New Mexico Motor Vehicle Division has released a new practice driving exam for cell phones and other mobile devices.

The application is available for free on the Apple App store at <https://apps.apple.com/us/app/nm-practice-driving-test/id1578505803> and the Google Play store at <https://play.google.com/store/apps/details?id=com.nic.nm.driverstest>.

The new practice exam is a great resource for people preparing for the knowledge test that new drivers must pass to obtain a learner's permit. It is also a great way for those already licensed to test themselves and stay up-to-date on basic driver safety.

More information and exam resources are available at mvdonline.com here: <https://www.mvd.newmexico.gov/resources/mvd-procedures-manuals/>.

The Taxation and Revenue Department serves the State of New Mexico by providing fair and efficient tax and motor vehicle services. The Motor Vehicle Division strives to offer customers convenient channels to conduct their business. MVD regularly adds to services offered online and through convenient retail kiosks.
