MVD Direct self-service kiosk now available on Albuquerque's West Side

The Motor Vehicle Division and Intellectual Technology Inc. have opened a new self-service MVD Direct kiosk in the Cottonwood branch of the Sandia National Laboratories Federal Credit Union.

The new kiosk is available during lobby hours, Monday through Friday, 8:30 a.m. - 4:30 p.m., and Saturday, 8:30 a.m. - 2 p.m. The branch is located at 3740 Ellison Road, Albuquerque, NM 87114.

MVD Direct self-service kiosks are a partnership between MVD, Intellectual Technology, Inc. and host businesses. Two others are located in the Albertsons at Montgomery and San Mateo and the Sandia National Laboratories Federal Credit Union at Juan Tabo and Comanche.

Kiosks allow customers to renew vehicle registrations, update driver information, and pay traffic citations that are payable to MVD.

MVD Direct kiosks allow customers to pay with a credit card and print their vehicle registration and sticker in as little as two minutes without visiting an MVD office.

Instructions and voice prompts in English or Spanish make the kiosk as easy to use as an ATM. There is a \$3.95 fee in addition to the registration fee plus a 2.3% credit card convenience fee associated with the transaction. However, MVD offers a 5% discount off the base registration cost on transactions conducted on the kiosks.

The Taxation and Revenue Department serves the State of New Mexico by providing fair and efficient tax and motor vehicle services.

The Motor Vehicle Division strives to offer customers convenient channels to conduct their business. MVD regularly adds to services offered online and through convenient retail kiosks.
