On Thursday, June 1, 2023, and Friday, June 2, 2023, New School Road will be **CLOSED** at North Date Street so crews can install water and sewer lines across the road.

During this closure, please follow the detours shown on the map:

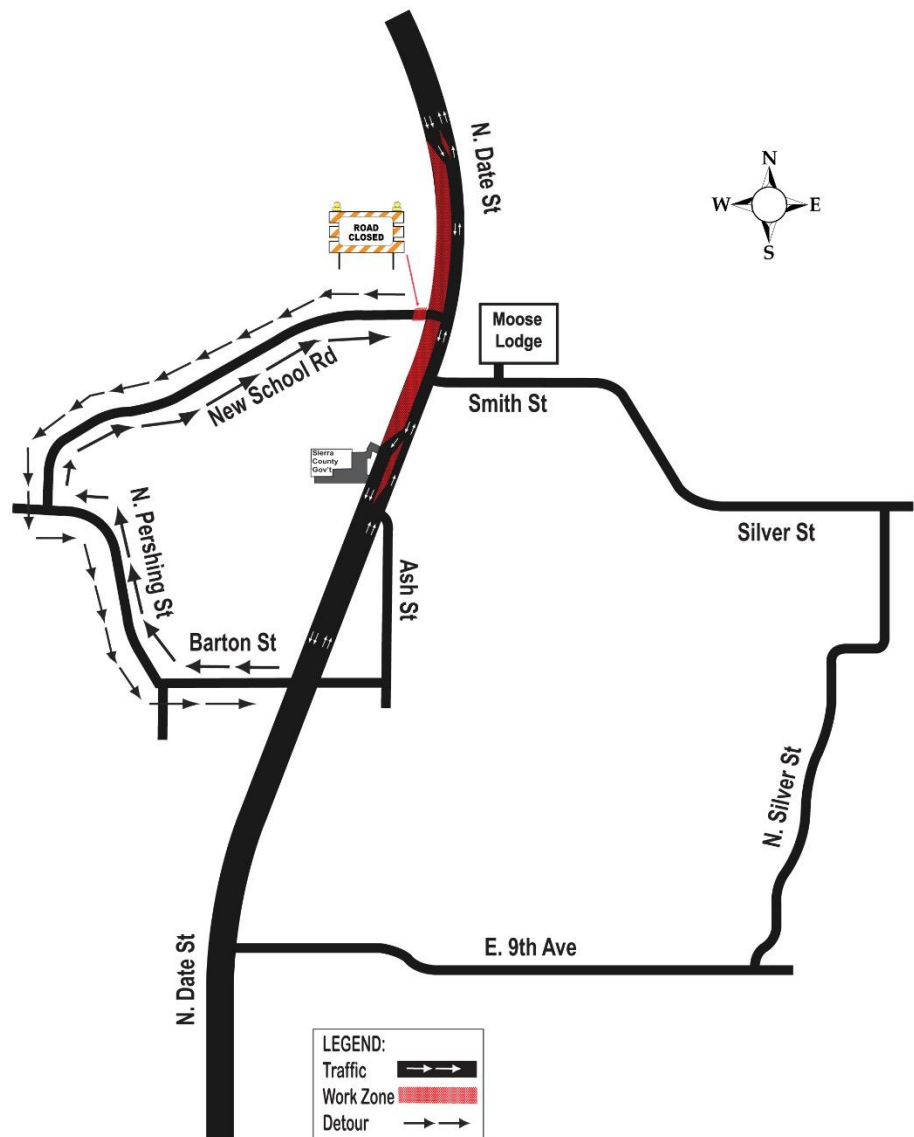

- Northbound and southbound motorists can take Barton Street to North Pershing Street to access New School Road

NOTE: Planned water outages are also scheduled for **Wednesday, June 7**, and **Thursday, June 8**, from **3:30-8:30 p.m.** each day so crews can tie in to the existing water line. *More information about which businesses will be affected will be sent out the week of May 29-June 2, 2023.*

Regular work hours will be **7 a.m.-5 p.m. Monday-Friday** although the contractor may work longer hours or on weekends as needed.

Access will be maintained to all businesses during construction.

About the Project: *The project is designed to improve sight distances at turnouts and intersections, address speed issues, provide connectivity for pedestrians and bicyclists and improve drainage. The project includes roundabouts at Smith Avenue, New School Road and NM 181. Construction is expected to be completed by May 2024.*

Construction is expected to be completed by May 2024.
